

Notice for Subcontractor Pre-Qualification Steubenville High School STEM Facility

Announcement

Grae-Con Construction, Inc. is seeking to pre-qualify principal trades and specialty contractors to submit bids for the furnishing of labor, material, supervision, and equipment for the Steubenville City Schools new three-story, 41,000 sq. ft. STEM Building project.

Grae-Con Construction, Inc. has been selected as the Construction manager at Risk for the project and will receive bids from and contract with the principal and specialty contractors for the execution of the work. You may begin the qualification process by returning the attached Pre-Qualification Questionnaire by accessing the link below:

[Grae-Con Prequalification Questionnaire](#)

This project will be broken into separate bid packages and the documents are anticipated to be available by May to June of 2022
